Adjudicating Committee and admission procedure

The Adjudicating Committee comprises the School's Scientific Committee and the Scientific Director.

The Committee will make the selection based on candidate's scientific titles and qualifications.

A list of successful candidates and a list of suitably qualified candidates will be publicly posted on the School Board and on the web page www.fondazioneancarlo.it. Both lists will be expressed in order of merit, in terms of an ascending mark scale from 1 to 10.

The School will communicate the outcome of the selection procedure only to those who have been awarded a place not later than 20 December 2019.

art. 6

Awarding of places

Before the deadline fixed by the Adjudicating Committee, successful candidates should produce the documents mentioned under art. 7. If one or more successful candidates fails to take up the offer of the place at the beginning of the course, the Committee will award the vacant place or places to suitably qualified candidates in strict adherence to the published order of merit.

art. 7

Admission documents

No later than 17 January 2020, successful candidates must confirm acceptance of their place and produce the following documents addressed to the School's Scientific Director:

- a) recent medical certificate (dated no more than 3 months previously) stating that the student is immune from illnesses incompatible with living in a community;
- b) two passport photographs, one countersigned;
- c) a copy of the degree certificate or equivalent qualification specifying the mark obtained in each single exam (where available), the date and the mark of the final examination (only candidates who have produced a simple declaration in their application);
- d) a color copy of a valid identity document, dated and signed.

At the beginning of academic activities, at their arrival to the School, the elected candidates will be asked to sign for the Direction of the School a declaration of acceptance of all the rules and regulations of the Collegio of the Fondazione San Carlo, seat of residence and of the didactic activities of the School for all students.

The data relating to surname, first name, place and date of birth, nationality and residency must be covered by a document attesting their validity. The School reserves the right to verify the truth of data contained in the identification document. Furthermore, the School reserves the right to request from the competent authority of the State in question a certificate relating to the candidate's legal status.

art. 8

Course attendance and student obligations

Course members must pursue their studies in accordance with a program approved by the Scientific Committee including the compulsory attendance of high formation seminars which amount to 250 hours. At the end of the course, students must pass the end of course assessment. Such an assessment will be based on subjects dealt with in the seminars, as mentioned in art. 1.

The School can exclude a student from the specialization course in case of:

- a) violations of frequency and attendance rules (unjustified and prolonged absences, frequency lower than 250 hours required in the academic year);

b) disciplinary violations of the rules and regulations of the Collegio of the Fondazione San Carlo.

art. 9

General regulations

Elected candidates must be in residence on the day fixed by the School to begin their courses. Elected candidates can not accept any commitment incompatible with their duties.

art. 10

Student awards and bursaries

The course lasts one academic year. Elected candidates will be entitled to the following benefits: free tuition and exemption from course fees; complete free boarding and lodging in the Fondazione's Hall of Residence for the whole period of didactic activity, except for holiday periods defined by the Fondazione Collegio San Carlo; privileged access to the holdings and to the services of the Library; one return ticket from the place of residence to Modena.
